

INVITATION

Beware of Foreclosure Rescue and Loan Modification Scams – A Forum for Faith and Community Leaders

Loan modification scams are proliferating in our community as scam artists prey on homeowners who are facing foreclosure. Instead of getting help, these homeowners are losing money and their homes.

Please join the Arizona Foreclosure Prevention Task Force, the Arizona Attorney General, the U.S. Department of Housing and Urban Development, and other community leaders so that you can inform your congregations and constituents about the resources available to keep them out of the grasp of the scammers.
