Phoenix, AZ 85012

602-685-6000

Bilingual

- M-F 0800-1700 hrs

Community Prevention Services

Services aim to reduce the use of alcohol, tobacco and other drugs by building community coalitions and providing targeted strategies. Youth programs include life skills trainings, arts and cultural activities

Mobile Crisis Services

Mobile Crisis Units are dispatched by the Maricopa Crisis Recovery Network to provide prevention, intervention and resolution to referred adults and children in Maricopa County. The goal is to resolve the immediate crisis, ensure safety and provide appropriate referrals for ongoing treatment

Rapid Response Teams

Teams respond to calls from local hospitals to provide behavioral health assessments, referrals, coordination of care and follow up

Prevention of HIV/Communicable Diseases

Provides testing, education and outreach for persons at risk or currently infected with HIV and/or Hepatitis. Programs provide planning to help reduce the use of substances and change harmful behaviors

Outpatient Services

Services include group and individual treatment, family education and involvement, community referrals, case management, and medication services for eligible persons

Substance Abuse Treatment Services

Services include substance abuse assessments, medically supervised detoxification, individual and family counseling, recovery support groups, intensive outpatient treatment programs, relapse prevention, gender specific substance abuse services for women and men and aftercare groups

<http://www.terros.org/>

BEHAVIORAL & MENTAL HEALTH SERVICES & COUNSELING

TERROS - 2 of 2 Pages

Mental Health Services

Services match treatment to the specific needs of individuals and families. Treatment is provided on a one-to-one basis, with families, or through specially tailored treatment groups. Psychiatric services include psychiatric evaluations and medication management

Community Living Program

Program includes home and community-based services for persons who are residing in provider-owned or provider-leased housing and need in-home support. Specialized for persons challenged with a serious mental illness, services include personal care training for independent living

L.A.D.D.E.R. (Life-Affirming Dual Diagnosis Education and Recovery)

Provides therapeutic behavioral health treatment that focuses on symptom reduction and management; services are designed to assist persons who have co-occurring serious mental illness and substance misuse

Co-Location at Provider Network Organization Clinic

Teams of TERROS substance abuse and peer recovery specialists are located at Provider Network Organization clinics to create a blended team that provides integrated care to persons with co-occurring substance abuse problems and serious mental illness

Arizona Families F.I.R.S.T. (Families in Recovery Succeeding Together)

Provides family-focused substance abuse treatment for families referred from Child Protective Services. This service promotes family independence, stability, and self-sufficiency while supporting child safety and permanency. TERROS co-locates Families F.I.R.S.T. case managers and therapists in CPS sites to facilitate service coordination
