

VOLUNTEER WITH THE GLENDALE FIRE DEPARTMENT CRISIS RESPONSE

Social workers, are you looking for a unique way to use your skills and talents during the summer? If so, volunteer with the Glendale Fire Department's Crisis Response Program. By volunteering with the Glendale Fire Department, you'll be able to put your knowledge of theories to work, provide those you assist with compassion in their time of need and work along side firefighters and police officers.

You'll receive training on crisis intervention, substance abuse, elder abuse, incident command, stress management, and mental health to make a few. All of this training can be used in your career as a social worker
