GLENDALÉ, Ariz. – Glendale Firefighters of Arizona, Glendale Chapter of Local 493 (GFFAZ) has begun an ongoing food drive to benefit local non-profit organizations dedicated to helping those who are less fortunate. “When there is a need in the community, Glendale Firefighters take it personally, said John Holland, Glendale Fire Captain and Local 493 Glendale Chapter Vice President. “There are so many people within our community and several communities throughout the valley with little or no resources for basic necessities such as warm nutritious meals, toiletries and clothing. This is a great way for firefighters to team up with those who would like to help someone in need and make a difference,” Captain Holland continued.

Donations can be dropped off at any Glendale Fire Station.
