

Historic Thunderbird Tower Project

A Message From:

Glendale Mayor Elaine Scruggs

I am writing to invite you to become a part of the remarkable history of the Thunderbird Tower on the campus of the Thunderbird School of Global Management. A groundbreaking ceremony was held for the restoration of the Historic Thunderbird Tower located at the heart of the internationally acclaimed school. With the project's fundraising goal in sight, I offered to help and at the same time raise community awareness of this effort which will forever tell the story of the significance of the Thunderbird Tower and Thunderbird Field in our nation's military history.

The restoration project started as a grassroots campaign by Thunderbird students. Part of their outreach effort is a pledge that every donor will be recognized by name on a donor wall. Additional recognition opportunities are available for larger donations.
