

G.A.I.N. 2010

“We Are All United in Neighborhood Watch”

G.A.I.N. “Getting Arizona Involved in Neighborhoods” is a program supported by the Glendale Police Department. It was designed to heighten crime prevention and awareness; generate support and participation in local anti-crime efforts; strengthen community relations; and send a message to criminals, letting them know neighborhoods are organized and working together and with the Police Department. Benefits of being involved in G.A.I.N. include:

- Reclaiming your neighborhoods
- Sense of ownership
- Reduction in crime
- Freedom from fear
- Improved quality of life
- Pride in your neighborhood
- Sense of community

G.A.I.N. 2010 “We Are All United in Neighborhood Watch” will be Saturday, October 23, 2010.

All Neighborhood Watch Groups, Registered Neighborhoods and HOA’s, Mobile Home Parks, Apartment Communities, and interested residents in the City of Glendale are invited to participate by hosting G.A.I.N. events in your neighborhoods. Now is the time to begin planning your G.A.I.N. event for your neighborhood if you haven’t already started. You may want to set up a neighborhood committee to help identify what type of event you want to plan. It can be a social event or a community project.

If you would like representatives from the Police Department, Fire Department, and the City to stop by your event, you must register your event. ***The first 75 events to register will receive our new Party Pack filled with surprises to assist you with your event!*** A copy of this form is included in this packet and is also available on the website. **The deadline to register your neighborhood event is October 14, 2010.**

This year’s annual **G.A.I.N. Kickoff** will be held on **September 15, 2010**. Your invitation to this event has been included in this packet as well. We’ve made some changes to this year’s event and hope you will join us for a fun, social party to show our appreciation for your hard work and efforts.
