VIN Etching is an auto theft deterrent in which the vehicle's 17-digit vehicle identification number is permanently etched on the windows of the vehicle. The process takes approximately 10 minutes.

The vehicle owner will be required to show proof of vehicle ownership, current registration and complete a consent form provided by the police department. Don't forget to check with your insurance agent to see if VIN etching provides a discount on your insurance premium.

Please contact Officer Andrew Lynes at 623-930-2554 or Officer Chi Guillermo at 623-930-4029 for any further details or questions.
